

Lazonby Swimming Pool - Pool Opening – 2021 Season

Road Map update – May 7th

17th May to 6th June

Open to adult swimmers ONLY

The water in the pool is heating up and there are some maintenance jobs to finish to get it ready. We are still aiming to be open on 17th May. We have had to adjust the timings slightly, which are now as follows:

Monday to Friday – 6.30am till 12noon and 2pm till 8pm

Saturday and Sunday - 8am till 10am

We will be setting up a booking system which can be used on any smart phone or computer; more details of this will be forwarded to paid members once this is finalised.

In order to swim you will need to purchase a monthly season ticket at £15 per month. This will need to be paid by BACs transfer (unfortunately we are unable to offer discounts or refunds to monthly tickets).

Please contact info@lazonbypool.co.uk to book your monthly pass.

7th June to 21st June

Our lifeguards will be trained at the end of May, so, when this happens we hope to be able to go ahead with:

- School bookings
- Local groups- such as cubs/ beavers/ scouts/ guides
- Other organised sessions

During this phase there will need to be a reduction in the opening times for adult swimmers. This will be confirmed on our social media outlets and via our website.

21st June - July

During this phase we hope to be able to welcome back:

- Private bookings for families, initially with limited numbers – number to be confirmed
- Possibility of water sports sessions

We have a new pricing structure to hire out the whole pool for private bookings, families and groups living within the local community. £30 for 1-10 people £40 for 11-20 people. This price is per hour. We are not taking bookings for private family groups at this time – we will let you know when this is available.

July and August

We still do not have a concrete plan as to what will happen during this period. We hope that adult swims and group bookings will be able to continue. Once we have more information we will let you know.

Please note – this plan is all dependent upon many factors including any government restrictions and changes in restrictions as the country eases out of lockdown, as well as availability of trained lifeguards.

We are sure you are looking forward to the pool opening just as we are. Thank you for your patience and support during this time.
